Willerby & Kirkella, Tranby & Anlaby January 2026

Willerby & Kirkella Ward – December 2025

Tranby Ward – December 2025

Meet the team-

Your Neighbourhood Policing Team (NPT) plays a vital role in tackling many of the local issues that matter to you. They are out in your area every day, and always available to offer crime prevention advice or for you to raise concerns with.

Each NPT consists of a dedicated Sergeant, Police Constable (PCs) and Police Community Support Officers (PCSOs) all under the command of an inspector. While they may be the ones you see the most, the NPTs do not work alone. They are supported by staff and officers from across the whole Humberside Police force area, and they work closely with local authorities, community leaders and residents to decide the local policing priorities for the area and find useful, long-term solutions.

Our approach is shaped by four key themes: We protect vulnerable people and keep people safe; We are out in your communities, visible, listening and working with you to deliver the services you need; We successfully tackle crime and ASB; We will be there when you need us.

We want to encourage more people - with a desire to make a difference and give something back to the community - to join our Special Constabulary.

Our Special Constables provide a crucial service across the whole of our Humberside Police force area. They have the same powers and responsibilities as full- and part-time, paid officers.

Our Special Constabulary is made up of like-minded people who all run towards danger, just like our regular officers. Special Constables are an integral part of Humberside Police helping us protect communities across the Humber region.

The role of a Special Constable means that no two days are the same, from arresting wanted people, patrolling community events to attending emergency incidents.
